

**InSinkErator Food Disposal  
Evolution Pro Compact**

### Top Features

**Evolution Compact®** delivers the new standard in sound and grind performance in a compact size.

**MultiGrind™ Two grind stages** - lets you quickly grind difficult food waste you wouldn't put in a standard disposer, like celery and potato peels.

**SoundSeal®** - makes the Evolution Compact® at least 30% quieter than standard disposers.

34.6-Ounce Grind Chamber and Stainless Steel Grind Components handles more volume than standard disposers.

3/4 Horsepower Dura-Drive® Induction Motor gives you more horsepower than standard disposers.

Quiet Collar® Sink Baffle ensures quiet operation.
